Research

Research is life-changing, safe, innovative, inclusive and everywhere. Over 9,000 new patients participate every year in more than 300 research studies at our hospitals with the aim of improving patient care and advancing treatments.

To find out more or get involved, please visit: www.nuh.nhs.uk/research

Visit www.nuh.nhs.uk/research for more info.

We can provide support – you can speak to our local stop smoking service New leaf on 0115 924 9924 ext. 67184

Finding your way around

City Hospital

Nottingham University Hospitals

Safe hospitals

We have no smoking sites.

This includes e-cigarettes.

No Smoking

Finding your way around

We appreciate that giving up smoking isn’t easy. We can provide support to help you to give it up – you can speak to our local stop smoking service New leaf on 0115 924 9924 ext. 67184 to make the first step.

We need to know when so we can continually improve.

Leaving feedback online about NUH is quick, easy and informal.
