

Are you a nurse or midwife
who has trained, worked or who is still
working in Nottingham's Health Services,
Community Services or University...?

...then we need you!

- to join a professional network promoting the profile of nursing and midwifery from all specialities; adult, children's, mental health, learning disabilities etc.
- to bring past and present traditions together to promote the interests and development of nursing and midwifery services in Nottingham
 - meetings held twice yearly
