Return to Practice - Nursing

Get back to what you’re great at this November 2015 in Nottinghamshire

Run in partnership with The University of Derby, Health Education East Midlands are offering fully funded places to study our Return to Practice (Nursing) programme.

- Develop the skills and knowledge you require to work in a dynamic and challenging arena - if you’re returning to adult or mental health nursing, our course is designed specifically to support you to meet the needs of today
- Re-activate your Nursing and Midwifery Council registration - upon course completion you will be able to apply to legally work as a registered nurse

What you will cover

- The course is seven and a half days of theoretical classroom contact, where you’ll be located at Lings Bar Hospital and King’s Mill Hospital. The course content has been designed in accordance with Nursing and Midwifery Council guidance.
- You’ll also complete a minimum 150 hours in the clinical placement environment over 24 weeks. This will give you the opportunity to consolidate and apply your knowledge, to enable you to provide care in the best interests of the client group.

Apply today or find out more

For further information about the course and how to apply, please contact returntopractice@derby.ac.uk.

Come along to an open event at the University of Derby to talk to our academics and ask any questions:
- Postgraduate and Part-time Open Evening – 3 September 2015. Book your place.

If these dates aren’t suitable, we are running further open events in 2015. Find out more.
